

EXPLORE

OUR LINE OF DERMOCOSMETIC PRODUCTS.

Mary Kay Clinical Solutions® combines cosmetic beauty with skin health to advance the boundaries of dermocosmetic science. Designed to deliver our highest level of skin care performance, these products represent Mary Kay's commitment to innovative technology and to developing new products targeted to specific skin concerns.

When you see this seal, you can be assured that an external advisory panel of dermatologists has validated the product by conducting a thorough review and evaluation of clinical tests, data and/or scientific support for the formula and ingredients.
